Growing with Purpose, Serving with Care

As our business continues to grow, we remain deeply committed to maintaining the personalized service and strong relationships that define our approach. To support this growth intentionally, we are growing our team with great care – bringing on individuals who share our values and long-term vision. We have found one such individual in Keyana Rhodie. We are proud to introduce Keyana as the newest member of our team.

Originally from Eastern North Carolina, Keyana brings with her a strong foundation in financial services. She has been in the industry for almost four years and has earned a Bachelor of Business Administration with a concentration in Trust and Wealth Management as well as a minor in Financial Planning from Campbell University. Deeply dedicated to serving clients, Keyana is committed to expanding her knowledge and delivering attentive, high-quality support.

As Keyana steps into this new role, she will be working alongside our team to provide you with the high-quality, personalized service you've come to expect from us at D.A. Davidson. We are confident that her dedication and fresh perspective will be an asset to both our practice and to you.

Best Regards,
